

THE DR. JEFFREY AND SUSAN MINTZ SCHOLARSHIP

The Dr. Jeffrey and Susan Mintz Scholarship is given every semester to a student who demonstrates financial need coupled with great spiritual qualities, traits, and character. Through the teachings in the Eternal Change Prophetic Training Center, students are given a greater understanding of the prophetic and the supernatural dimensions of God. Education and information are critical criteria for success in the world, but without the proper understanding, dispensation, and revelation that comes with the education, the title is just a title and no more. The prophetic brings the supernatural and the natural together in a way that can help orchestrate God's original intent with the ability of communication in today's ever changing world.

It is through the Eternal Change Prophetic Training Center that eligible students will be afforded the opportunity to understand the purpose for their call in life and help them with the skills, tools, and direction that comes from studying such a wonderful part of the Word of God as through the prophetic. Education should never be taken for granted and through this scholarship many people will continue to learn more about what God wants them to do in their lives and in the lives of others. It is an honor to be able to support Prophet Cynthia's academy and to watch the lives of so many people be changed forever through her great teaching ability and her amazing gifts from God. Shalom and God bless you.
